With

## Perfect Interview™ You will be

### Welcome to

# Perfect Interview™

**Imagine being able to practice your interviewing skills anywhere, anytime!**

- Log onto the Career Services Website at [www.NotreDameCollege.edu/careers](http://www.NotreDameCollege.edu/careers)
- Click on the Perfect Interview Logo.
- Register or enter your user name and password.
- Select the length and type of interview you want to experience. A professional interviewer appears on the screen, asking the same challenging questions you'll face in a real interview.

### **You will benefit from the following:**

- Practice interviews over the internet anytime, anywhere.
- Specify the length and type of interview you want to practice
- Use the self-directed learning model to proceed at your own pace
- Save your responses in video or text form
- View positive model answers and helpful tutorials for every question
- You can repeat each question as often as you like; see a tutorial explaining why the question is being asked, and review examples of how someone else might answer the question.
- With an webcam attached to your computer, you can even video record your responses and play them back for instant feedback on how you would look and sound to a potential employer.
- Share your saved interviews with your academic advisor or career services staff for feedback to improve your responses.
