The Sr. Mary Margaret Harig Endowed Student Internship in Campus Ministry was established in 2005 to provide an opportunity for a qualified Notre Dame College student to be formed as a leader of Campus Ministry under the guidance of the Director of Campus Ministry. The successful candidate will receive a $500 stipend per semester for their work within Campus Ministry, and will be expected to engage in a minimum of six hours of supervised ministerial work per week. The student intern will demonstrate familiarity with the pastoral Empowered by the Spirit, assisting the Director of Campus Ministry in planning and executing Campus Ministry programming and helping form student leaders. The three major areas of concentration would be: Retreat planning and leadership, Community Service and Social Justice planning and leadership, and Liturgical planning and leadership. Qualified students could work in all of these areas or concentrate in one particular area of ministry. Student interns would learn valuable leadership skills, gain experience in planning and executing programs, and be involved in theological reflection. Student interns would work closely with the Director of Campus Ministry to help build and develop a dynamic Campus Ministry program.
