

NOTre DAME College

introduces its Academic support center for students with Learning differences in January 2006.

Now students with learning differences have a place to call home.

The Academic Support Center provides:

- Support-group activities
- Individual tutoring with a writing specialist
- Training and use of adaptive equipment
- Summer programs
- Individual tutoring on academic subjects
- Individual academic advising
- Workshops on study skills and organizational skills
- Books on tape

Classroom accommodations are made based on documentation by a licensed professional. Students must meet the admission requirements of Notre Dame College prior to being admitted to the Academic Support Center.

The Sisters of Notre Dame have been serving students with special learning needs at Julie Billiart School since 1954. Their mission has now grown to encourage students of all faiths to pursue higher education with the assistance of the Academic Support Center at Notre Dame College.
