

welcome to the Academic support center!

Our mission is to provide quality educational opportunities and support services to students with documented learning disabilities. Our services go above and beyond those required by law. For example, before the fall semester begins, our students participate in an on-campus orientation. Students meet one another in a stimulating environment. They discover the campus and its facilities, stay in the residence halls, and get to know the faculty and staff. When classes start, students are comfortable and ready to begin their college experience.

do you have questions? Do you want to visit Notre Dame College? Do you want to meet the staff of the Academic Support Center? If so, please contact
