Transfer Guide for Cuyahoga Community College Updated Fall 2011

Notre Dame welcomes CCC transfer students! This guide provides information to assist Cuyahoga Community College students in selecting courses for meeting applicable General Education and Major requirements at Notre Dame College under NDC's 2010-2011 Catalog. Transfer credit is awarded for all college-level coursework (numbered 1000 and above) in which a grade of "C" or higher is earned. Bachelor's degree requirements include earning a minimum of 45 semester credits of upper level (300 and 400) coursework. Sometimes a community college course is counted as fulfilling a content requirement of Notre Dame even though the Notre Dame course is a higher-level course. Please note, however, that no upper level credit is granted for the transferred course. No course can count toward two general education requirements. A major cannot be earned at NDC without some courses from the major taken at NDC. For clarification of NDC's requirements, call the Advising Center at 216-373-5383.

It is important to remember that the requirements to earn a degree are based upon the catalog that is in effect at the time of your first semester or term of credit enrollment at Notre Dame College. Consulting the current NDC catalog or a CCC Admissions Counselor is strongly recommended when planning an academic program at Cuyahoga Community College that will make for a smooth and beneficial transfer to Notre Dame College. Please keep in mind that NDC awards only lower-biennium credit for transferable community college coursework. Listed below are CCC semester-credit courses equivalent to specific NDC major requirements. These courses are listed by department. Please use this guide in conjunction with the Notre Dame catalog for more information on majors within each department.
