Findings for the class of 2015

Graduates of Notre Dame College who earned bachelor's degrees between July 2014 and June 2015 were surveyed six to ten months after graduation regarding their post-graduate endeavors. There is a 63% knowledge rate for the Class of 2015. Data was gathered from 153 of 243 graduates.

93%
Reported Full-time Employment,
Graduate School Attendance,
Military Service, or Long-Term
Volunteer Service

Methods:

These figures were determined through a direct survey to graduates as well as data collection via e-mail, mail, phone calls, LinkedIn, and other social media.
