Findings for the class of 2016

Graduates of Notre Dame College who earned bachelor's degrees between July 2015 and June 2016 were surveyed six to ten months after graduation regarding their post-graduate endeavors. There is a 76% knowledge rate for the Class of 2016. Data was gathered from 240 of 314 graduates.

95% of respondents reported **Full-time Employment, Graduate School Attendance, Military Service, or Long-Term Volunteer Service**

2016 vs 2015 Comparison

Methods:

These figures were determined through a direct survey to graduates as well as data collection via e-mail, mail, phone calls, LinkedIn, and other social media.
