

If your plan is to begin at Tri-C and successfully transition to Notre Dame College, this is a great way to start. Students may be admitted to the Dual Admission Program directly out of high school depending on the strength of their academic program and performance.

How to Apply and Enroll

- Complete Tri-C's application for admission along with Notre Dame College's supplemental Dual Admission application and return both to the Tri-C Enrollment Center, along with the appropriate transcripts.
- Once all information is received, you will receive notification of admission to the program.
- After completion of coursework at Tri-C, you will need to update your information when you enter Notre Dame College to complete the bachelor's degree program.

The Dual Admission Program is designed for students interested in admission to Cuyahoga Community College (Tri-C) and Notre Dame College (NDC) with the intent of completing a combined associate's/bachelor's degree.

Dual Admission students are strongly encouraged to complete an associate's degree from Tri-C.

Prior to enrollment at Notre Dame College, Dual Admission candidates must complete a minimum of 25 semester hours from Tri-C including English 1010, English 1020 and Math 1270/1280 or 1250 (depending on major), with a minimum cumulative grade point average of 2.5.

Students who meet the above criteria are guaranteed admission to Notre Dame College (and are not required to formally submit a transfer application or pay an application fee to Notre Dame College.)

To apply:

- Complete this application form along with Tri-C's application form and return both to the Enrollment Center at Cuyahoga Community College.
- Submit high school transcript (mailed directly from the school to Tri-C) or official GED transcript (mailed directly from the testing agency to Tri-C) and ACT/SAT scores, directly from College Board or on high school transcript.
- Submit official transcripts from **all** colleges and universities previously attended (mailed directly from the institution to Tri-C).

As a condition of admission to the Dual Admission Program, your signature on the application authorizes Cuyahoga Community College and Notre Dame College to share academic transcripts and exchange information concerning your admission and baccalaureate advising. Notre Dame College does not discriminate on the basis of race, creed, age, disability, national origin, gender or sexual orientation in the administration of any policies or programs.
