This planner should be used to assist you in scheduling courses needed for graduation. **This is not to be considered an official degree audit for graduation.**

FALCON-IN-4 PLANNER

The minimum number of earned credit hours required for graduation is 120 and is comprised of required courses in the major, required CORE courses, and elective credits. The specific number of required credits will vary based on a student's major and factors such as declaring a second major, a minor, etc. and should be discussed with the student's academic advisor.
