

## Sample Assent Form

**Title of Project:** Incorporation of technology in a science class

**Researcher Name:** My name is\_\_\_\_\_. I work at Notre Dame College.

**Study Purpose:** I am asking you to take part in a research study because I am trying to learn whether using a computerized lab will be liked by students and help them in my science class. I want to learn about the types of computerized exercises kids your age like to do.

**Procedures:** If you agree, you will be asked to complete [**describe what they will do**]

**Voluntary Participation:** You do not have to be in this study. No one will be mad at you if you decide not to do this study. Even if you start, you can stop later if you want. You may ask questions about the study.

If you decide to be in the study I will not tell anyone else what you say or do in the study. Even if your parents or teachers ask, I will not tell them about what you say or do in the study.

Signing here means that you have read this form or have had it read to you and that you are willing to be in this study.
