Logging Out of Moodle

In most Moodle courses, you will see a message reading **You are logged in as (your name) (Log out)**. This message will be located in the upper right corner of most Resource pages, and towards the bottom of Activity pages.

To log out of Moodle, click on the **Log out** link.

The screenshot shows a web browser window displaying a Moodle course page. The browser's address bar shows the URL `http://webassist.ndc.edu/course/view.php?id=5`. The page header includes the Notre Dame College logo and a navigation menu with items like 'WebAssist' and 'NDC Demo Course'. In the top right corner, the text 'Admin User Logout' is circled in red. The main content area is titled 'Weekly outline' and lists activities for three weeks: '24 August - 30 August', '31 August - 6 September', and '7 September - 13 September'. The right sidebar contains sections for 'Latest News', 'Upcoming Events', and a 'Calendar' for August 2009. The Windows taskbar at the bottom shows the Start button, several open applications, and the system tray with the time 2:31 PM.

NOTE: Clicking on **Log out** will log you completely out of Moodle. If you wish to work on another course, do not log out, but click on the left-most link in the breadcrumbs at the top left-hand side of your Moodle course.
