

Unusual Enrollment History

Your FAFSA was flagged for having a history of unusual enrollment in regard to receiving federal Pell Grant funds. You may have attended other colleges prior to NDC where you received a federal credit balance refund and then withdrew before completing the enrollment period. We are required to review your transcripts from all colleges attended in the past three years. Please request **official** transcripts to be sent to:

Notre Dame College
Financial Aid Office
4545 College Road

You will not be eligible to receive federal financial aid until your official transcripts are received and reviewed.
