

Support Notre Dame College and its Students with a One-Time or Recurring Monthly Gift to the [NDC Fund](#)

Your gift supports **Individualized success services for students with learning differences**

Students who have IEPs or 504 accommodations in high school are traditionally underserved in higher education, except at Notre Dame College. Notre Dame is home to a nationally recognized Academic Support Center for Students with Learning Differences (ASC). The Notre Dame ASC empowers students to succeed academically and socially with a holistic approach to earning a college degree. The center **focuses on a student's capabilities and provides a progress advisor, similar to a high school intervention specialist**, for students with documented learning disabilities. The attention allows them to thrive in the classroom, graduate and meet post-college career goals!
