

THE CAREER SERVICES CENTER SHOWS UP TO SUPPORT THE COMMUNITY!

In response to the pandemic, our fabulous **Career Services Center** has launched 2 programs to help navigate the current landscape.

The Career Services Center has joined forces with the NDC Department of Education to offer student-tutors to families in our community. Families seeking assistance with homework, tutoring, curriculum design, or implementation can complete the survey below to begin the process. Our education department students are versed in various fields of learning from early childhood, intervention specialist, mathematics etc.

Many families have been impacted financially by the pandemic. Alumni who now find themselves in the job market can contact the Career Services Center for help with resume review and interview practice. If you'd like to schedule an appointment with a career coach, please email Francesca Jones at jones@ndc.edu or April Kennedy at akennedy@ndc.edu to get started.
