

CLASS IS IN SESSION

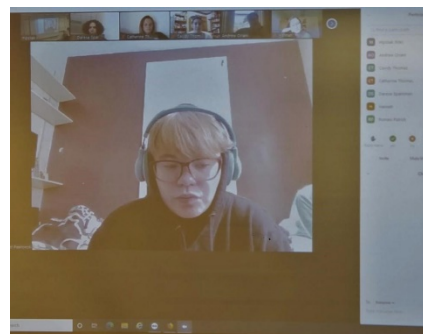

We are excited to kick off this new academic year! Classrooms and hallways are once again filled with students, faculty and staff here at Notre Dame College! The new **Falcon Flex** program has allowed us to open the doors to students and provide the in-person experience that they overwhelmingly requested. This year also marks the launch of 4 new highly anticipated degree programs:

- **B.A. in Cybersecurity**
- **B.A. in Business Administration with a Concentration in Healthcare Administration**
- **Master of Business Administration**
- **Master of Education in Curriculum and Instruction**

While we have enacted several new protocols to keep everyone safe, what will not change is the **legacy of care and academic excellence** that Notre Dame College has provided for nearly 100 years!
