

The FirstGen Center is a dynamic program that provides instruction and services to our first generation college students like peer mentoring, professional development, and internship opportunities.

This year, we are expanding the mentoring component to include **Alumni Mentors!** We need alumni that are willing to help nurture students and help with development in the areas of

- Career readiness/pathing
- Graduate program selection
- Life beyond Notre Dame College

If you are willing to donate your time to contribute to a young Falcon's success, please click the link below to receive more information.
