Entrance Counseling

**What is Entrance Counseling?**

If you have not previously received a Direct Loan or Federal Family Education Loan (FFEL), the Federal Government requires you to complete entrance counseling to ensure that you understand the responsibilities and obligations you are assuming.

If you are completing entrance counseling to borrow a loan as an undergraduate student, then the entrance counseling will fulfill counseling requirements for Direct Subsidized Loans and Direct Unsubsidized Loans.

If you are completing entrance counseling to borrow a loan as a graduate or professional student, the entrance counseling will fulfill counseling requirements for Direct Subsidized Loans, Direct Unsubsidized Loans, and Direct PLUS Loans.

Your school may have alternate entrance counseling requirements. Check with your school's financial aid office to be sure that the counseling available on this Web site satisfies its requirements for entrance counseling.
